# THE 2026 OFFER

The 2026 PEG enables you to invest in the Classic Offer and benefit from a range of advantages.

## WHAT ARE THE ADVANTAGES OF THE 2026 OFFER?

The 2026 Offer allows you to **become indirectly a shareholder in Saint-Gobain via an Employee Shareholding Fund<sup>1</sup>**, whilst benefiting from preferential conditions, namely a 20% discount .

In exchange, your investment is locked up for five years and follows the stock market share price, which can go either up or down.

## SUBSCRIPTION AT A PREFERENTIAL PRICE

The subscription price per share is the reference price<sup>2</sup> to which a 20% discount is applied.

You will be notified of the subscription price on **March 23, 2026** on your company's premises, as well as on the website dedicated to the PEG:

<https://peg.saint-gobain.com/>.

## PAYMENT OF ADMINISTRATIVE AND ACCOUNT MAINTENANCE FEES

Saint-Gobain pays all the management fees of the "Saint-Gobain PEG Monde" FCPE, together with all PEG account keeping fees, except transactions outside the 2026 PEG\*.

*\*The conditions and shares prices are available from your Account Holder.*

<sup>1</sup> This Employee Shareholding Fund (in French Fonds Commun de Placement d'Entreprise or "FCPE") is called the "Saint-Gobain Relais 2026 Monde" FCPE, which has been specially created to receive your investments under the 2026 Offer. After the capital increase, this temporary fund will be merged into the "Saint-Gobain Avenir Monde" compartment of the "Saint-Gobain PEG Monde" FCPE, following a decision by the Supervisory Board and approval from the AMF, the French Financial Markets Regulator.

<sup>2</sup> See glossary.

4. Where the employee, his or her spouse or children, suffers from a disability .
5. Death of the employee or his or her spouse .

**You will benefit from 100% of any dividends paid from 2027.**

You do not benefit from any dividends paid in 2026 for 2025.

These will be reinvested into the fund and converted into fund units (thus increasing the number of units you own), which will be available on the expiry date of the investment to which they are linked.

**Your investment is subject to a risk of loss of capital.**

**By subscribing in a country outside the euro zone, the value of your investment will be subject to the fluctuations of the exchange rate of the euro against your local currency.**

Given the concentration of risk associated with this Employee Shareholding Fund investing in the shares of only one company, the "Autorité des Marchés Financiers" ("AMF" – French financial markets regulator) recommends that subscribers evaluate the need for risk diversification of their overall financial investments. Please consult the Employee Shareholding Fund rules for more information about the risks associated with the fund.

### **RISK OF LIQUIDITY**

In the particular case where the exchange volumes on the financial markets are small, any purchase or sale transaction may lead to significant market fluctuations. Please consult the concerned Employee Shareholding Fund rules for further information on these risks.
